The North American Mission Board (NAMB) exists to help every church take its next step in missions and encourage every believer to live on mission. NAMB's mission field is the U.S., Canada and the U.S. territories of Puerto Rico, Virgin Islands, Guam and American Samoa. This region contains diverse ethnic groups, languages and religions. Approximately 275 million people in North America do not have a relationship with Jesus Christ.

NAMB helps plant churches everywhere in North America with a special emphasis in cities where more than 80 percent of North Americans live. Missionaries focus on reaching multiple international and native people groups. Another focus is planting churches for military communities and near college campuses.
