

1 Corinthians 12:14

"For the body does not consist of one member but of many:

It is many people's favorite time of the year and if you live in the South, you know what that time is, Football season. There is nothing quite like watching your favorite team play underneath the Friday night lights or play on Saturdays. Many people look forward to tailgate parties, back yard Bar-BBQs, and long-standing rivalries. In the south we love football. However, when you watch football, it is not about one person. It is not just about the quarterback, coach, or safety. It is about the overall performance of the team. The outcome of the game greatly depends on how well the whole unit plays. This principle is the same for the church. The effectiveness of the church is not dependent on one person, but many. The Lord has uniquely gifted us all in different areas. He has given us spiritual gifts that we are to steward for His kingdom and His glory. May we utilize those gifts as a team. I would encourage you to investigate your spiritual gift and help the church, be a team player and not sit on the sidelines.

In Him,

Bro. Justin
